## **Join Us in Building a Safer Future for Delaware's Children**

Every child deserves a safe, supportive, and nurturing environment in which to grow and thrive. Yet right here in Delaware, far too many children face the harsh reality of abuse or neglect. **In 2024 alone, over 24,000 cases of child abuse were reported in our state.** Behind each of those numbers is a child whose future depends on the care and commitment of their community.

At Prevent Child Abuse Delaware (PCAD), we believe that child abuse is preventable—not inevitable. For over 45 years, PCAD has worked across the state to educate adults, empower families, and protect children before harm can occur. Our programs are proactive, not reactive. And our success depends on the generosity of partners like you.

On **Monday, April 27, 2026**, we will host our **Champions for Children Golf Tournament & Silent Auction** at the DuPont Country Club's Nemours Course in Wilmington. This event is more than a day of golf. It's a call to action—a chance to bring people together around a shared belief that every child has the right to grow up safe, seen, and supported.

By sponsoring this event, your organization will not only enjoy a day of connection and visibility among community leaders and advocates—you'll become a champion for Delaware's children. Your support helps us reach more schools, train more caregivers, and advocate for stronger systems that put children first. When you stand with PCAD, you're standing up for thousands of futures across our state.

We know you have many options when it comes to community investment. But few causes are as deeply rooted, widely impactful, or urgently needed as the prevention of child abuse. Together, we can build a Delaware where every child has the chance to grow up free from harm—and full of hope.

We invite you to join us as a sponsor for the Champions for Children Golf Tournament. **Because this isn't just a tournament. It's a movement.**
